RENEWED PETITION UNDER 37 C.F.R. 1.137(b) AND MPEP 7.11.03 (c)(III)(C)  
AND (D)

Sir:

In response to the dismissal of the petition filed under 37 C.F.R. 1.137(b),  
Applicant request that the request for this petition be reconsidered.

The petition was rejected under item 1 under 37 C.F.R. 1.137(b) as the proposed  
reply required under consideration of a petition to revive must be an Appeal brief and  
fee, an amendment that prima facie places the application in condition for allowance,  
the filing of an continuing application, or a Request for Continued Examiner (RCE).  
Applicants are filing this reconsideration of the petition with an RCE.

The petition was also rejected under item 3 as the present application was  
abandoned for more than four years. Applicants are submitting the present facts below  
to provide support that the abandonment of this application was unintentional.

#1. A Final Office Action for this Application was mailed on March 16, 2000.

#2. A Notice of Abandonment for this Application was mailed November 24,  
2000.

At this time in the Applicant's prosecution, the case was assigned to Francis Davenport. Upon further consultation with Mr. Davenport, he indicated that there was no intention in abandoning this case. A reply was never filed due to inadvertent error.

#3. October 2004 (exact date unknown), I was researching the United States Prosecution of this application in view the foreign patents that correspond to this docket. It came to my attention that this docket was abandoned. I contacted outside counsel to prepare a response and petition for this application.

#4. November 23, 2004, an Office Action Response was received from outside counsel for review.

#5. February 17, 2005 a revised Office Action Response was redrafted and filed in the U.S.P.T.O. with present petition.

Applicants believe the events addressed above indicate that the present application was not abandoned intentionally. The facts listed above also indicate the abandonment of the present application was unintentional as to allow this application to be revived under 37 C.F.R. 1.137(b).

It is believed that no additional fee is believed due with this response except for the RCE. However, if a fee is due, please charge the additional fee to Deposit Account 07-0832.

Respectfully submitted,  
Harold Blatter
